TOP FUNDRAISING IDEAS

There are lots of ways you can raise funds for Telethon. Your idea can be as creative as you want it to be, the options are endless! It's really about working out what the people in your community, school or work would get behind and be passionate about.

If you are looking for inspiration on how to put the fun in fundraising here's some thought starters for you!

FUN & EASY

DRESS UP DAYS

Have a day where everyone can dress up, dress down or in a theme for a gold coin donation.

FACE PAINTING

Get your face painted and take a selfie for quick and easy cash.

BIRTHDAY DONATION

For children too young to really appreciate gifts given to them ask guests attending your child's party to donate to Telethon instead.

SPONSORED SILENCE

Set aside a time in the day or each week where there's no talking, anyone who talks pays a fine!

SWEAR JAR

A great one for the workplace to raise loads of cash, every time someone swears they must add a coin.

GIVE IT UP DAY

Ask everyone to choose something they would like to give up for a day – chocolate, texting, technology? Encourage friends and family to give small donations towards a goal set for a day.
